(Savage, MN) - The Scott County Art Crawl Preview Exhibit kicks off Sunday, August 25 and runs through September 27, 2013 at the Prior Lake, Savage and Shakopee MN libraries. During the Scott County Art Crawl Preview, viewers can see a variety of original fine artwork created by local artists participating in this fourth annual self-guided studio tour and sale. Art mediums include paintings, photography, sculpture, glass art, jewelry and pottery.

"I really enjoy the Scott County Art Crawl. I love to see the creations of fantastic artists who live and work in my community. Buying original artwork is even more fun when I know we are helping support local artists! I look forward to the preview and crawl event every year." – Melissa Arnold, Savage Arts Council Board Director.

The fourth annual Scott County Art Crawl takes place Saturday, October 5, 9am – 5pm and attracts visitors from the greater Twin Cities area.
